9-4-82

Harold,

Hope you're feeling well! As you'll read, things are finally going to break open in the acoustics story. Ramsey really screwed things up, but because of his panel, new info has surfaced.

Earl Golz will likely never return to the Dallas Morning News, so here's his home address:

7130 Gaston Ave.
Apt. 201
Dallas, TX 75214

Your subscription is a freebie to thank you for all the letters and docs over the years. You're also welcome to write about any aspect of the case. This first mailing has gone to over 150 researchers!
